MANHATTAN
BRINGING COMPUTERS TO LIFE

Notebook Computer Pouch

Reversible, Fits Most Widescreens up to 9″

Model
421911

Extra protection for ultra-portable personal computers.

The MANHATTAN® Notebook Computer Pouch provides lightweight, cushioned protection for popular ultra-mobile/portable personal computers (UMPCs), netbooks and other subnotebook computers against common, everyday mishandling. A durable, water- and scratch-resistant polyester fabric stretches for a snug, custom fit to shield subnotebook PCs from careless spills and other minor hazards. The two-color design easily reverses to reveal an alternate color to coordinate with notebook computers, luggage or other personal items. It easily and safely moves a PC between meetings or room to room when a traditional notebook computer case isn't necessary, or slips inside a suitcase or briefcase to provide protection when traveling.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

LIFETIME WARRANTY

LIFETIME WARRANTY
